A senior company executive said, "Vibrant India 2025 offers a great platform

to connect with customers and showcase products that blend functionality and elegance. Cooking should be convenient and enjoyable."

At a press meet on the opening day, Max Fresh highlighted its pan-India dealer network and shared plans to expand across urban and emerging markets. The event also gave stakeholders a firsthand look at the brand's evolving product portfolio.

Ayurvedic solutions for oral health

Dr. Sonia Datta, MDS, PhD, emphasizes that while oral care is vital at every age, older adults often face specific challenges—like gum recession, dry mouth, weakened enamel, and issues from medications—that impact both oral and overall health. Regular dental check-ups become increasingly important with age.

Receding gums, dry mouth, enamel wear, and medication side effects can lead to tooth decay and gum disease. Dentures, if used, require proper care to avoid infections.

Ayurvedic Support with Dabur Red Paste Formulated with clove and neem,

Dabur Red Paste offers natural relief from common aging-related oral issues. Clove soothes sensitive gums, while neem fights bacteria. Its IDA Seal of Acceptance ensures safety and efficacy for seniors.

Oral Care Tips for Older Adults: Brush twice daily with a soft-bristled toothbrush and Dabur Red Paste, Floss daily and stay hydrated to combat dry mouth. Visit the dentist regularly. Clean and maintain dentures properly.

With age, oral care needs extra attention. Dabur Red Paste's natural ingredients support gum and tooth health, helping you maintain a healthy smile for years to come.

KRAFTON boosts gaming startups

This initiative aims to equip early-stage gaming studios with essential tools and services, key in developing, testing, scaling, and marketing their games efficiently.

bring high-quality games to market faster. Powerful allies include Google Cloud, which offers credits and personalized support, AWS for scalable cloud infrastructure, and AccelByte for robust backend solutions.
